Seniors**

Become an AmeriCorps Seniors Volunteer at GSI

Did You Know?

Senior volunteers experience decreased anxiety, depression, and loneliness. 84% of volunteers report stable or improving health after one year of service.

Volunteers in our AmeriCorps Seniors program at GSI work alongside us as "Fraud Fighters" - helping us prevent fraud and financial scams from happening to the elderly and other vulnerable populations in Tarrant County.

AmeriCorps Seniors Fraud Fighters assist with educating communities about fraud prevention and financial literacy as well as providing friendly companionship. When regular check-ins by trusted individuals take place, vulnerable adults are far less likely to fall victim to fraud or financial scams. Consider becoming a Fraud Fighter and help us protect the most vulnerable in our communities!

AmeriCorps Seniors Volunteers must be at least 55 years of age and are eligible to receive a modest stipend.
